Dear Mr. van der Stap,

At the Nederlands Meetinstituut the Electronic Gas Volume Conversion Device (EVCD), model Summit 8800, manufactured by Krohne Oil & Gas, has been examined for conformity with the essential requirements of the Measuring Instruments Directive (MID).

Via this letter I like to inform you that the above mentioned EVCD fulfils those essential requirements. The examination will result in an EC-type examination Certificate, with number T10185.

With kind regards,  
NMI Certin B.V.
